Report of Principal and School Improvement Council

Strategies to achieve the goals in the School Renewal Plan were accomplished. Performance goals included raising the academic rigor and performance of each student, providing a school environment supportive of lifelong learning, and improving understanding and support of our Paideia Model School.

The Paideia model, a rigorous academic program challenging students to think, reason, communicate, and take responsibility for learning, was fully realized. Students demonstrated learning through seminars, coached projects, and academic portfolio presentations. Students acquired understanding through active learning, and feedback from teachers, peers, parents and community resources. Students participated in monthly school-wide seminars centered on character education and in content seminars during coached projects. Students explained their progress and challenges during Student-Led Parent Conferences.

Balanced literacy was reinforced through the newly created Leveled Literacy Library. Teachers continued to employ the Daily Five literacy model and the CAFÉ reading strategy assessment system along with the Accelerated Reader program to facilitate individual student progress. The Empowering Writer's curriculum facilitated school wide writing improvement. Students participated in a variety of literacy activities including a book character parade, family reading night, and the Blowfish Challenge. Meadowfield students won the "Reading with the Lady Gamecocks" statewide reading competition.

To provide extra assistance to students without losing core subject time, an intervention period was incorporated. Students worked with interventionist teachers and with computer assisted curriculum programs. Identified students participated in a comprehensive after school remediation program.

Conceptual math instruction was the focus for professional development. A math specialist presented customized sessions for each grade level. Teachers employed a professional learning community approach to analyze student data and plan instruction. Through the Professional Development School partnership with the University of South Carolina, our teachers, USC faculty, and our on-site USC liaison supervised the internship and practicum classes of future educators.

The PTO and SIC worked diligently with school staff to strengthen community relations and parental involvement. The community enjoyed many events: a "First Day" breakfast for new parents, Paideia family seminars, Chick-fil-A, and Sonic nights, a book fair, public library nights, prospective parent meetings, school concerts, a school dance, a spring carnival, a welcome to kindergarten day, a bingo night, career day and field day. Our students benefited from the assistance of many volunteers as well as from business and community partnerships, including a valuable faith-based partnership with Shandon Baptist Church. Our students represented and served the school through student activity programs including safety patrol, student council, friendly helpers, recess patrol, book buddies, media managers, chorus, art club, and archery club.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	85.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Meadowfield Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☒ Non-Title I School – therefore the designations above are not applicable.
